

# HOW DOES THE DEVIATED ROUTE WORK?

The bus route operates from 8:00 a.m. until 4:00 p.m., Monday-Friday. To ride, stand at a signed bus stop or flag the bus down by waving to the driver. When you board, tell the driver where you want to get off. When the bus is about one block from the stop, let the driver know.

If you need to get on or off the bus at a location off the route, you may request a deviation within 1/4 mile of the route. The deviation zone is shown on the route map in this guide. Request a deviation by calling (812) 232-2675 at least one day in advance. The route can only make 2 deviations per hour.

## TIPS FOR RIDING
